

**Remarks**

The present paper is submitted in reply to a final Office Action dated July 14, 2005. In the Office Action, the Examiner allowed claims 1, 9-11, 15, 16, 24-26, 30-32, 34, 37, 38 and 91-95. Claims 16 and 31 were objected to because of informalities.

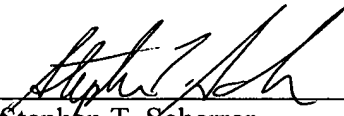

**Claim Objections**

With respect to the objections of claims 16 and 31, these claims have been amended to delete "visible to." Moreover, "to visible" has been inserted after "translucent" in order to clarify the claims, as recommended by the Examiner. In addition, claim 30 has been amended in order to clarify the claim.

In view of the foregoing remarks and amendments, Applicant respectfully submits that all of the claims in the application are in allowable form and that the application is now in condition for allowance. Applicant further submits that neither further search nor consideration would be necessitated by entry of this response. Therefore, entry is proper and should be effected.

Respectfully submitted,
